EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas Cole on 5/4/04.

The application has been amended as follows:

Claim 8. (Currently Amended) In a molding machine for molding steering wheels, the improvement comprising: a mask for covering parting surfaces of steering wheel molding members, the mask being mountable to a coated-portion steering wheel molding members corresponding to portions of a molded steering wheel surface on which a coating is formed, before a molding material which forms the molded steering wheel is filled into a mold composed of a plurality of steering wheel molding member components, with molding portions being formed at some of the molding member components, the mask having a shape that corresponds to the surface shape of the coated-portion steering wheel molding member,

wherein the mask has a peripheral portion covering parting surfaces of the coated-portion steering wheel molding member in the state in which the mask is mounted to the coated-portion molding member, and preventing the formation of flash around a periphery of a molded steering wheel from said coating.

Election/Restrictions

2. This application is in condition for allowance except for the presence of claims 1 – 7 and 13 – 16 drawn to an invention that was non-elected without traverse. Accordingly, claims 1 – 7 and 13 – 16 have been cancelled.
